

Hotel Pet Policy

It is the strict policy of this hotel property to have any guest bringing a pet that this form be signed and adhered to. If you are uncomfortable in signing this form, then we are sorry, but we will be unable to accommodate you. There is no deviation from this policy, so please do not ask for any exceptions to be granted.

The pet is to be properly controlled at all times while on hotel property. Please inform the Front Desk Clerk about any possible conflict for when our housekeeping department needs to enter to clean your room. If the pet is to remain in the room during your absence, then the pet must be secured in a kennel / cage to ensure the safety of our staff, and for the well being of the pet. Any contravention of applicable statutes, laws, or regulations respecting the welfare of animals will be reported to the proper authorities.

A damage deposit of \$100.00 is required at check in. The damage deposit may be in the form of cash, debit card, or as a separate pre-authorization on your credit card. A full accounting of any charges to the deposit will be provided. Any amounts exceeding the deposit amount are due and payable immediately, without exception. There is also a fee of \$10.00 a night to be posted with your room charges daily.

As the registered guest, you are financially responsible for all damages caused by the pet, including lost potential hotel income. You are also responsible for any excessive and / or exceptional cleaning charges at the hotel property rates. This includes, but is not limited to, pet odors and pet stains.

You will be given an opportunity to eliminate any noise complaint from other guests. In the event you are unable to satisfy this clause, you will be financially responsible for any and all costs associated with appeasing guest complaints.

I have read and I agree to adhere to this pet policy and its terms as outlined.
